WELCOME TO THE INSPIRED APPROACH

Inspired is the leading global group of private schools operating in Europe, Asia-Pacific, Africa, the Middle East and the Americas, educating over 90,000 students across a global group of more than 118 schools.

At Inspired, we believe that enriching educational experiences instil the knowledge, attitudes, beliefs and values that set students up for success in life.

Whether your child is with us full-time or for a few weeks over the summer, they will enjoy a new standard in private education with a dedication to excellence permeating every aspect of the experience. Through innovative, challenging and enriching programmes that span academics, performing arts and sports, students leave with lifelong memories, self-confidence and a love for learning.

EXCLUSIVE CAMPUSES

Our summer camps allow students the chance to stay at some of the world's top boarding schools and take part in programmes delivered by world-class partners. It is an opportunity to travel, meet peers from other countries and get involved with inspiring activities, empowering campers to learn lifelong skills.

We offer a broad range of programme options within different fields of interest, designed to nurture current passions and build new ones.
